Sir,

I have the honor to submit for Sanction an application for an Invalid Pension on behalf of Mr. Laffrey, Veterinarian of the Mysore Horse, declared unfit for further Effective Service by the Senior Surgeon to the Government of Mysore.

2. Mr. Laffrey served in the Department for a period of ten years. He was for several years on duty at the Stud Farm at Kunigal, where he suffered a good deal from rheumatic fever and was obliged to retire from that disease which he caught there.

3. No provision is made in the Mysore Service Regulations regulating the pensions of Veterinarians, but I presume Mr. Laffrey will be Entitled for his service of ten years in the Department to a pension Equal to ten Sixtyeths of his pay, viz. 16-10-8, under Section 2, Class

320 of the Regulations quoted above, provided this age, viz. 50 years at time of Entertainment is not taken into consideration.

4. With reference to the latter point I beg to observe that it is seldom the services of a duly qualified Veterinarian can be secured before his retirement from the British Service.

5. In communicating with the Comptroller I beg that his attention may be drawn to the above point, so that in regulating the pensions of Veterinarians he may make a special note with reference to age at time of Entertainment, for future guidance.

It is useful that this age from the subject of a separate Communication. Sec

To,

The Chief Secretary to the
Government of Mysore

Sir,

With reference to your letter No: 6644/G 1674-92 of the 14th November 1892, I have the honor to inform you that the report promised by the late Colonel J. O. Travers with reference to the qualification of Mr Laffrey for employment as Veterinarian in Connection with the Mysore Silledar Horse, is not forthcoming in the records of this office though every search has been made

but ~~GOVERNMENT OF INDIA~~ there is no doubt that some understanding had been arrived at with reference to his appointment, as from a perusal of this office letter No: 738/261 of the 28th September 1882 you will observe that Colonel Travers alludes to an interview he had with the Dewan when he appears to have obtained his sanction for the payment of Rupees 20/- to Mr Laffrey as house rent in addition to his pay till quarters were provided for him. This shows that the report he promised was made in person and not by letter.

2. I have no doubt that Mr Laffrey was given to understand that if he served long enough to qualify for pension or gratuity, he would be granted

it, as he has frequently alluded to this in his letters to this office.

3 In Her Majesty's Service Farrier majors have to put in 15 years Service to obtain a 1st pension of Rupees 8-5-4 and 17 years for a 2nd of Rupees 9-6-11 per mensem. They are pensioned under Military rules, but in the Mysore Service, I presume, they are dealt under the Civil rules.

The pay of a Farrier major in Her Majesty's Native Cavalry is Rupees 21-0-0 per mensem.

Mr Laffrey's pay in the Mysore Service including house rent was Rupees 120/- I would therefore recommend that he should be granted

the

the pension he was recommended for, which seems reasonable.
